On exclusive representation of the owner, we offer for sale an interesting plot of land in Brno - Bystrec, in a place known as Rest Valley. Plot CP 143m² with a detached cottage intended for reconstruction or renovation.

The original cottage with two rooms and a vestibule stands on the property.

380V electricity is supplied and connected to the property.

Dry toilet also on the property along with handy storage/shed.

In the immediate vicinity of the cottage there is a tributary to the Svratka, so the place is an ideal place to rest or catch fish.

The place offers complete peace among the greenery and at the same time comfortable access to the center. The entire built-up area can be used for more modern housing or recreation.

There is a restaurant, public transport stop, problem-free parking and all civic amenities of the big city near the property. More details from the listing broker.

Tours possible by appointment at any time.
