The apartment is freshly renovated and will impress not only with its modern design, but also with a large amount of daylight that permeates the entire space.

The living area is connected to the kitchen, which is equipped with a line including a refrigerator with a freezer compartment, oven and hob. There is also a connection for a washing machine under the line.

The living area offers a sofa and a coffee table.

The spacious bedroom is equipped with a double bed with bedside tables on the sides and chests of drawers.

The great advantage of this rental is the possibility of parking directly on the property, so the tenant does not have to deal with any blue zones or search for a free space on the street. Another bonus is the spacious garden with an area of 800 m², which can be used freely - ideal for relaxing, grilling or sitting with friends.

The housing is located in a sought-after and quiet location in the immediate vicinity of Wilson's Forest, ideal for walking or running. Public transport and all civic amenities are within walking distance - shops, restaurants and other services. Good accessibility by car too.

A viewing is possible at any time by arrangement with the listed broker.

Possibility of providing one-time or regular cleaning by our cleaning company.

With regard to the legislative requirement for its publication, the property must be marked in energy class "G", which does not mean that it really belongs to this energy class.
