Apartment for rent 2+kk, Centropolis complex, Nové sady street, new building, garage parking, first tenant benefit

We offer for rent a beautiful and brand new 2+kk apartment with a total area of 64.8 m², located on the 7th floor of the modern Centropolis residential complex on Nové sady street in Brno. The house is equipped with an elevator and, thanks to its location on the upper floor, offers quiet living with plenty of daylight.

The apartment has not been inhabited yet, so you will have a unique opportunity to become its first tenant.

The apartment is ideal for an individual or a couple looking for modern, representative and comfortable living in the center of Brno.

The layout of the apartment consists of an entrance hall with a practical built-in wardrobe, a living room with a kitchenette, a separate bedroom, a bathroom with a shower and toilet and a dressing room with a sophisticated built-in shelving system. From the living area and bedroom there is an entrance to the loggia, which provides a pleasant place to relax.

The kitchen is equipped with built-in appliances - a hob, oven, microwave, extractor hood and dishwasher. The bathroom is elegantly designed with a combination of light tiles and marble design, complete with a shower, washbasin cabinet, heating ladder and toilet.

The rooms are unfurnished, so the new tenant can arrange them according to their ideas and needs.

The apartment has a bright and clean impression, offers plenty of storage space and modern workmanship with an emphasis on quality materials.

The rental includes a garage space, which ensures comfortable and trouble-free parking right in the house.

Possibility of renting a basement cubicle for 500,- CZK/month.

The Centropolis project is located in the heart of Brno, within walking distance of the historical center, the Vaňkovka shopping center and the main train station. In the immediate vicinity you will find restaurants, cafes, a fitness center, shops and all civic amenities. Excellent public transport accessibility and quick connections to main transport routes are a matter of course.

A viewing is possible at anytime by appointment with the listed broker.
