Cleaning room: 2.0 m²

The premises are very practical and allow for comfortable operation even for employees.

Heating and hot water are provided from a common boiler room in the house.

The unit has 1 reserved parking space.

There are approximately 15 parking spaces available for tenants within the premises, which can also be used by this commercial unit.

Additional parking is possible within the supply road behind the house.

Advantages:

- shop window and entrance directly from the street
- variable use
- ample storage space
- complete social facilities
- good accessibility
- parking in the area

The property is located in the popular village of Kobylnice, in close proximity to the city of Brno, with very good transport accessibility. The location is sought after especially thanks to the combination of a quiet environment and a quick connection to the regional capital. The surrounding area is home to residential developments, smaller companies and services, which ensures constant movement of local residents and passing customers. U Řempa Street is easily accessible by car and on foot, and there is also a public transport stop within reach.

A great advantage is the easy connection to the main transport routes towards Brno, Šlapanice, Slavkov u Brna and surrounding villages, which allows for convenient access for employees and clients.

The location is suitable for businesses focused on the local community, regional clientele, and delivery services. Thanks to the growing housing and development of the municipality, there is a stable demand for quality services and shops.
