Facilities

Garage space for sale, Brno - Královo Pole, Herčíkova Street, near VUT

As the exclusive representative of the owner, we offer the transfer of the cooperative share of a garage parking space in the city district of Královo Pole on Herčíkova Street.

Half of a lockable cubicle with an area of approximately 13 m² is available. The garage parking space is located on the 4th floor of the parking house.

The parking house is under constant surveillance 24/7, which guarantees maximum security. Heating, electricity and access to water are also available. The building is maintained and regular cleaning is provided.

Other benefits include a vacuum cleaner and air compressor in common areas.

Operating costs are approximately 7,000 CZK/half a year.

The garage parking space is located on Herčíkova Street, which is a strategic location for residents of this area and for those who commute to the Technology Park for work. If you work at Kyndryl, Red Hat, BUT or other companies in the technology center of Brno, this parking space is an ideal choice - it will save you time and worries about finding a free space.

There is a public transport stop right next to the parking house, from where you can quickly and conveniently get to the city center. Thanks to its excellent accessibility, this parking space is not only practical, but also a great investment for the future.

Viewings possible by appointment with the given broker.
