Výtah

On behalf of Regus we offer to rent modern flexible office space, Holandská street, Brno-střed, possibility of short-term rental, fully furnished offices, parking, 24/7 access.

The rental concept is unique on the market, offering various flexible rental leases from one-day to long-term rental with a bonus on an annual rental contract.

Flexible rental of furnished offices offers a complex of related services - reception, appointment of visitors, telephone service (the assistant answers to phone calls on behalf of your company), small administration, copying center, possibility of renting meeting rooms, use of furnished kitchen including unlimited consumption of hot drinks, Club, Internet connection and more.

The premises are located in a representative Spielberk Office Center and the interior is designed to a high standard.

The parking space is for rent in the underground garages, or you can rent an outdoor space from 950 CZK / month.

Offices of various types and sizes are available.

For clients, the latest business center, located in the Europort building, has the possibility to have a permanent or temporary office just a few steps from Terminals 1 and 2.

The business lounge and co-work areas furnished with comfortable armchairs or enclosed private offices with an area of ??8m² and meeting rooms offer plenty of comfort and privacy for meetings, meetings or emails and other business matters.

More information and floor plans available from the listed broker.
